

## Stands

### Versatility and stability in every stand

From our unique Versatile Platform Stand (VPS) to traditional stands such as the Cabinet and Sure-Jet Cabinet Stands, you will be guaranteed to receive stability and reliability in each stand.

#### Versatile Platform Stand

This unique stand features a fully adjustable 18"W x 18"L rotating platform, forward stand construction for straddling infeed conveyors and low profile forward leg extensions for sliding under cabinet style systems. Heavy duty body construction ensures stability. Each VPS comes with rear wheel placement for easy mobility.

#### Versatile Platform Stand Advantages

- > Fully adjustable rotating platform up to 180°
- > Rear wheel placement for mobility
- > Low profile leg extensions
- > Product jogging deck
- > Forward stand construction

#### Cabinet Stand

This stand features a heavy duty 18" x 30" platform and body construction to ensure stability.

#### Sure-Jet Cabinet Stand

The Sure-Jet Cabinet Stand comes with a fully enclosed cabinet perfect for storing tools, products and supplies. This stand features a heavy duty body construction and 23<sup>3</sup>/<sub>4</sub>" x 24" platform to ensure stability.
